Realizing that our yearbook has only one true purpose - that of depicting one year of school life - we have strived to accentuate personality reflection rather than to attempt to visualize the future or commemorate the past. The 1969 GREYHOUND has been written and photographed for the students of 1969 with its copy intended to reflect student life.

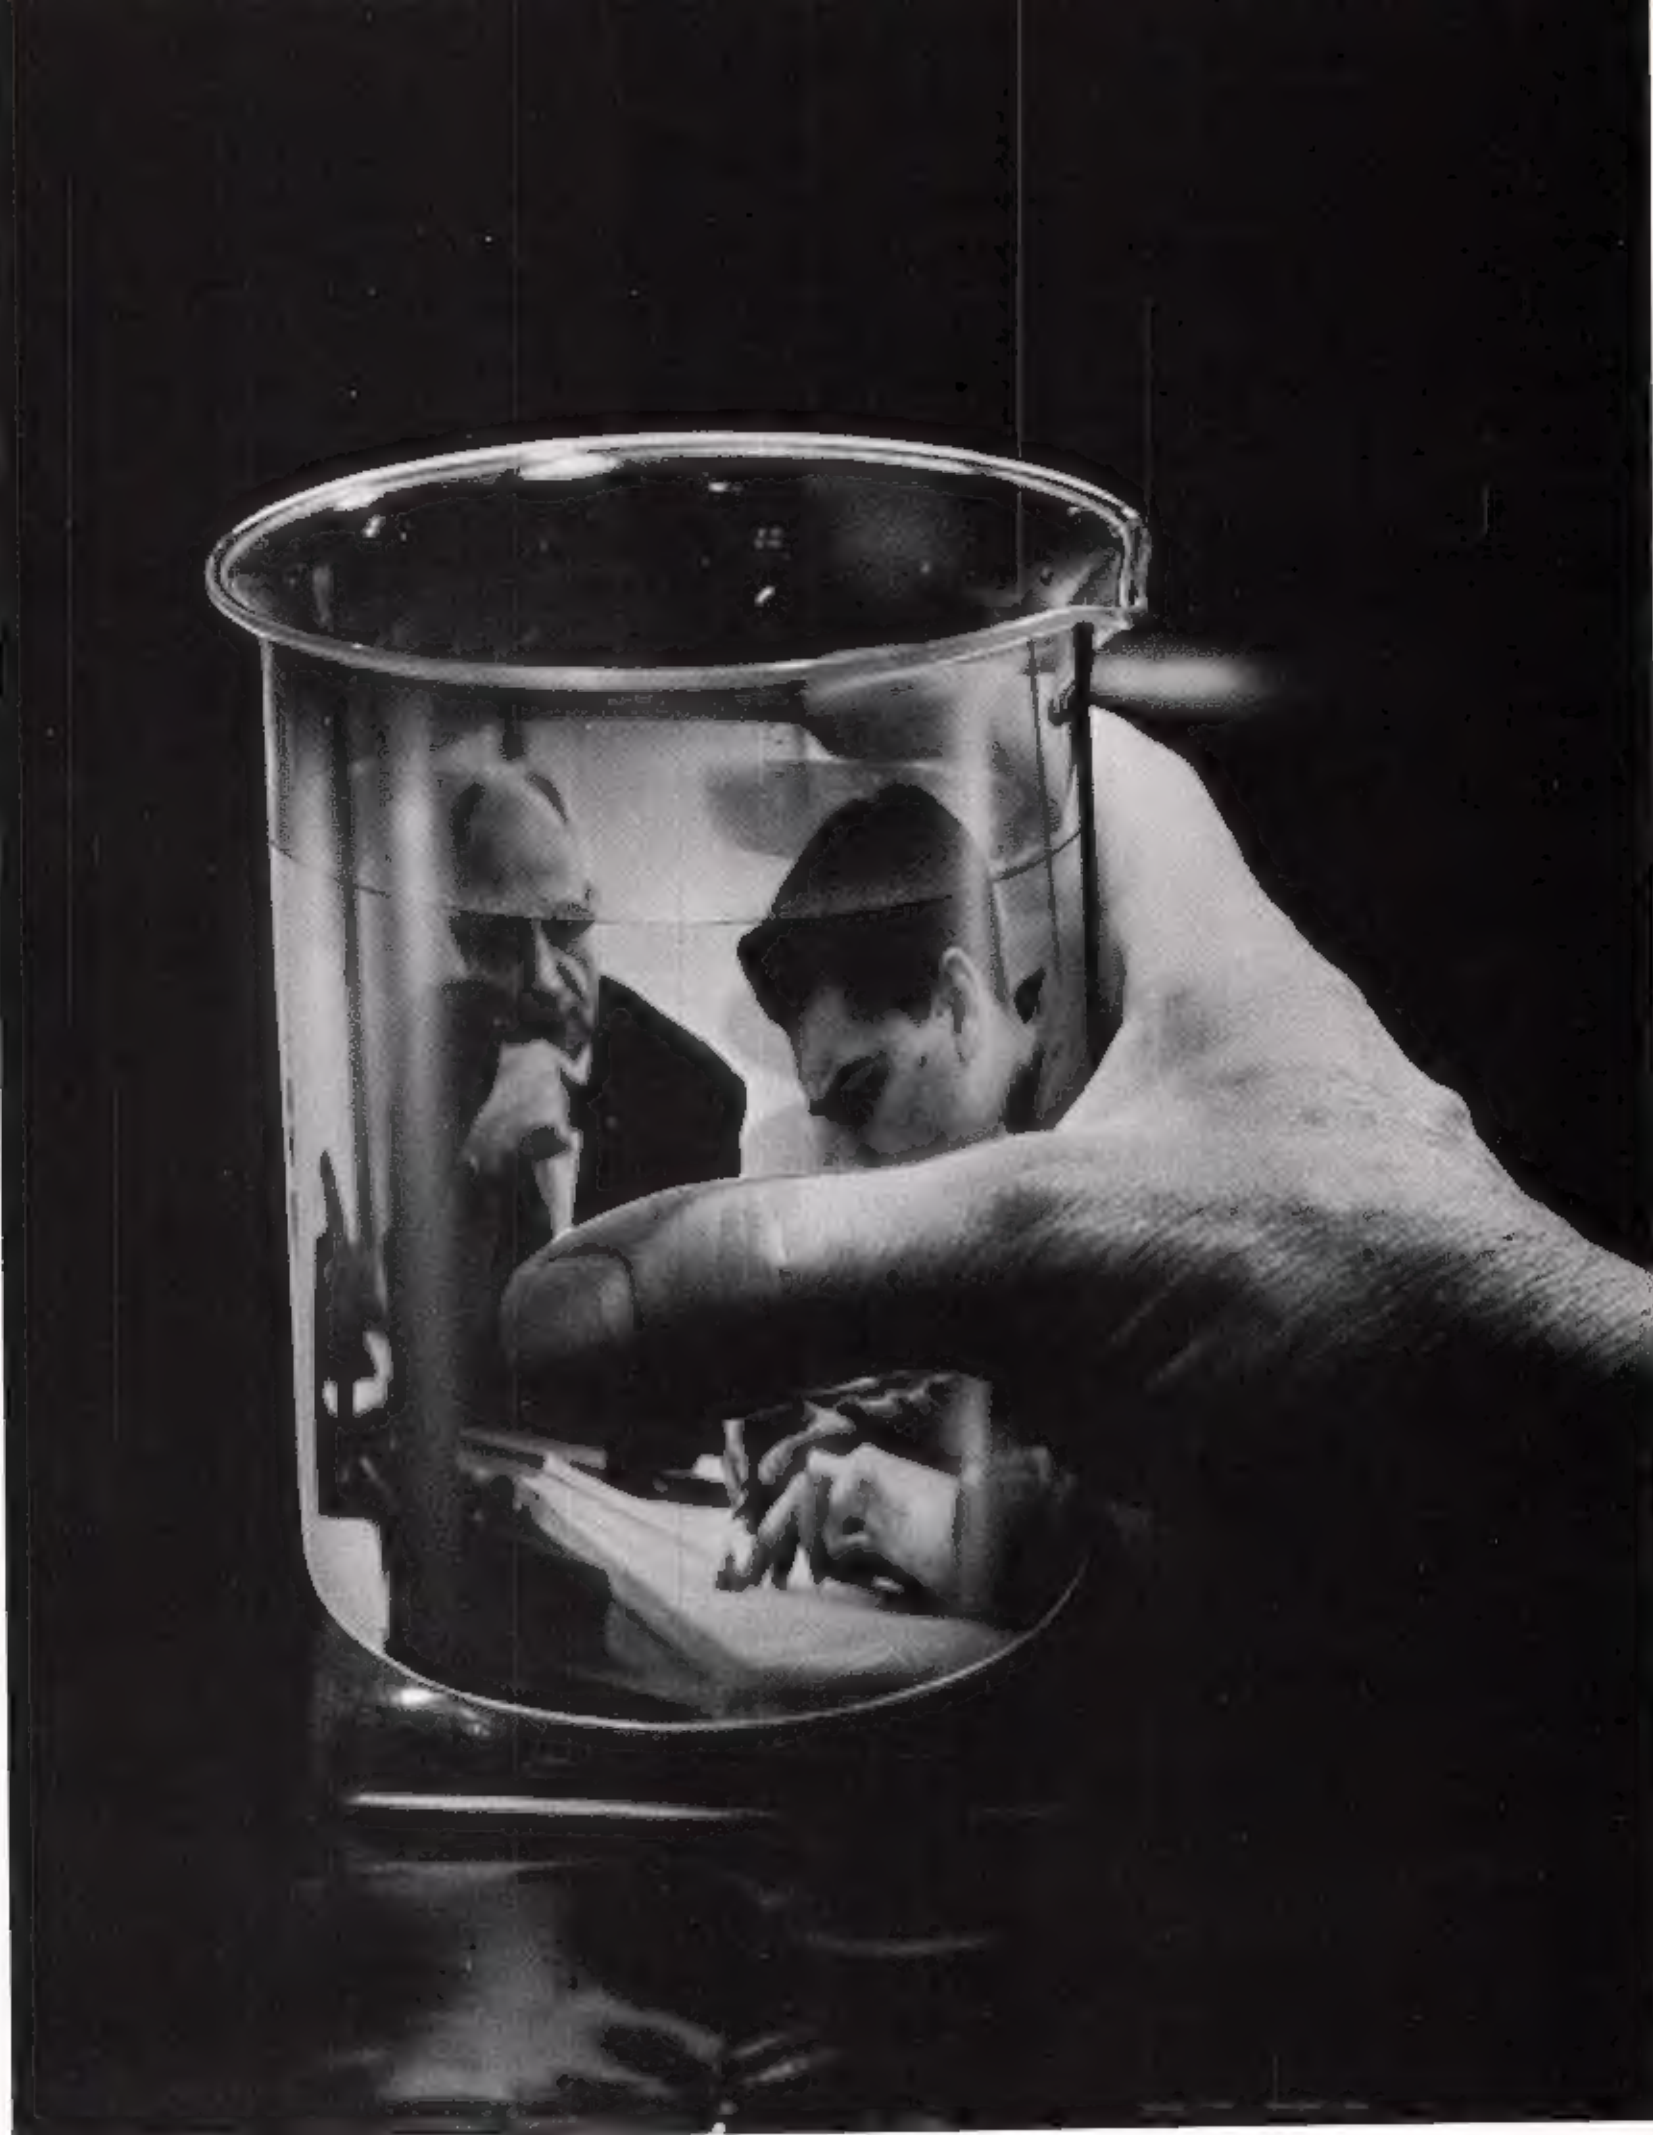

As you turn through the pages of the 1969 GREYHOUND, you will note many changes. These have been made possible by the co-operation of many people - the faculty, the student body, parents, advertisers, and the efforts of the GREYHOUND Staff.

I would like to thank Mrs. Melvin Lowrey for her help in making this the biggest and best annual ever.

We hope, that as you go through life, the reflections you see as you turn back through the pages of this yearbook, will be happy ones.

Margaret Howell

Without co-operation from others we could do nothing.

FFA members look for guidance of adults and honor them at banquet.

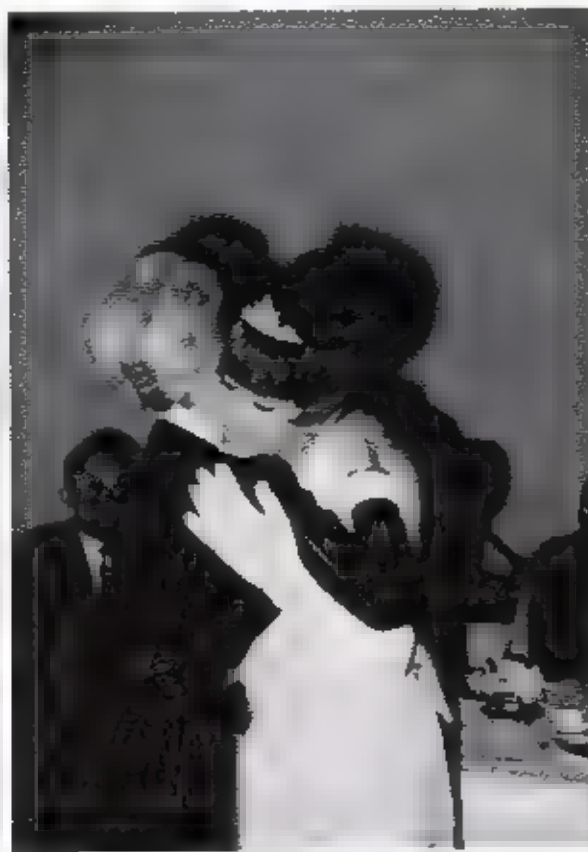

Our project program teaches us responsibility and by proper selection our labors pay off.

Star Chapter Farmer Henry Rodriguez has won many honors in exhibiting swine.

State FFA President visits our chapter.

Betsy was honored by being Miss Knox County Livestock Sweetheart.

It is an honor to be selected FFA Sweetheart but more to be District FFA Sweetheart.

No follies to have to repent;
